TRUST

# D-DAY 80 YEARS 1944 2024

#MVTDDAY24

Members of the MVT – We are about to embark on a Great Crusade.

The MVT are excited to launch the new look MVT D-Day tour for June 2024 (#MVTDDAY24), commemorating 80 years since the greatest seaborne invasion in history.

2024 has a new organising team with a focus on greater flexibility and improved member involvement, allowing members to do their own thing whilst enjoying the community of the largest military vehicle group in the world.

In the past we have travelled as a large group, 2024 is looking to create an online community of members with a series of experiences, events, discounts, tours, road runs and parades that you wouldn't get if you weren't in the MVT community.

It is proposed that members are given an online (and printed version if required) timetable to events over the D-day period. This will be backed up by regular social media activity during the tour period allowing members to know what is going on, communicate with each other, and enhance their experience.

This approach will allow the members the flexibility to enjoy the experience by themselves, know what is going on and also be part of the most memorable events.

In a change from previous years we will be allowing non WW2 vehicles to register on the tour, although for obvious reasons some events will be WW2 only.

Non-members may come on the tour, however as part of registering for the event they will become a member of the MVT for 12 months. Non-members will have to have signed up before 1<sup>st</sup> November 2023.

At this stage we are registering your interest to join the MVT D-Day 2024 community, you are not committed to join the tour by registering at this stage, we just want to know what you might want from a tour if you were to go.

Can you please fill in the register of interest form so that we can start to collect information about numbers and what people want. The register of interest form may be found here - <https://www.surveymonkey.co.uk/r/VJZF6VB>
